Re: Request for Information Pursuant to Sec. 104 E of CERCLA for Chemical Recovery Systems, Inc., 142 Locust Street, Elyria, OH. 4403

Dear Ms. Sheppard-Johnson:

We have received your letter and General Notice and are compiling our response on behalf of American National Can Company, a wholly owned subsidiary of Rexam Inc. As agreed to with Mr. Thomas C. Nash, Associate Regional Counsel for Region 5, we will respond to the 104 E by April 30, 2002.

We are in the process of determining the nature of any business dealings with this site. It appears, based on the "Index to Evidence" showing payment to National Can in the amount of \$1977.00, involvement was minimal. We would be willing to expedite the process and review a proposal with EPA directly or the PRP group for fair and equitable lump sum settlement. All correspondence from your office should be directed to the attention of:

Mr. Frank Brown  
General Counsel  
Rexam Inc.  
4201 Congress Street, Suite 340  
Charlotte, NC 28209

If you have any questions or concerns, please feel free to contact me.

Sincerely,

Gregory A. Bopp, CHMM  
Technical Risk Manager, Rexam Inc.

Cc: F. Brown
